Terms and Conditions for Loan of Photo Equipment

- 1. Students are responsible for any equipment loaned to them. Any loss or damage of equipment will be paid in full by the student to whom it is loaned to.*
- 2. A police report must be made immediately by the student on discovery of any loss or theft, and the issuing officer to be informed.*
- 3. Equipment will only be loaned and returned at the times stipulated from the equipment store (DG 28 -01-29).*
- 4. Students must check the equipment is in good order and complete when it is issued to them, and on return to the store.*
- 5. Equipment is solely for design course projects, and shall not be loaned to any other student or person.*
- 6. To extend the loan period, student must go to the equipment store and request the extension for 2 more days only.*
- 7. If the student is considered to have abused the loan system, it will be the prerogative of the staff on duty to bar them from further use of any photographic equipment.*
- 8. The above terms and conditions may be subject to change as deemed necessary by the management of Temasek Design School.*
